# Naturescaping for Wildlife

**Saturday, May 14** 10 a.m. - 1:30 p.m.

\$30 per person (\$25 for PNA members)

Phinney Neighborhood Association  
6532 Phinney Ave. N, Seattle 98103

Learn to create your own beautiful wildlife-rich oasis! Discover how to attract native birds, pollinators and other wildlife. This class will cover planning, design, installation and maintenance for sustainable, natural gardening.

"Your class was a spark to change our lives for both my husband and me. Today, our yard is a demonstration and education model project. It's attracting an abundance of wildlife everyday. The variety of colors, shapes and patterns of our plants create a sense of surprise and delight. It's like a little bit of heaven."

-- Afia Menke, Past Participant 2009
